

## **OBJECTIVES**

The objectives of the Association are:

- a) to establish, maintain and conduct a club of persons interested in PT Cruisers and to promote among the members of the Association and others an interest in the care, maintenance and use of such automobiles, and in good driving practices, both on public highways and in automotive competition; and in the development and exchange of information relating to automobiles;
- b) to promote, encourage, establish and participate in all aspects of automotive competition, and the gathering and dissemination of automotive information, and to arrange and promote matches, competitions, instructions and demonstrations of every nature and kind and to offer or grant and contribute toward prizes, awards and distinctions;
- c) to accept donations and gifts of all kinds in conjunction with the affairs of the Association.
